my dear children,

MUHAMMAD HAFIZ, NOOR HAZWANI, ABDUL HAKIM, NOOR HIDAYAH, NOR AQILA and **NOR ATIQAH**;

and my sons- and daughters-in-law,

FAZILAH, MALEK, HANIN, FAIRIZAL and **FIRWAN**.

This twenty-fifth book of Heroes of Islam tells the story of Osman Gazi, together with that of his father, Ertuğrul: the chief of a small tribe at Söğüt who defeated the Byzantine army at Bapheus, besieged Bursa, and laid the foundations of a state that lasted more than six centuries. His story is told with honesty about its sources, including the difference between history and television drama. May this knowledge be ‘ilmun yuntafa‘u bih — knowledge that benefits.

ABOUT THE COVER OF THIS EBOOK

This eBook's cover does not depict any human being or animal. It shows ***the green hills of Bithynia*** near Söğüt in northwestern Anatolia in the morning, surrounded by pine forests, with red poppies in the foreground and golden sunrise light.

On the hillside lies ***the camp (oba) of a nomadic Turkic tribe*** — dark tents of goat hair and a few ***round tents of white felt***, with the chief's larger tent in the middle, campfires, copper cauldrons, woven rugs, saddles and bows — recalling the life of the tribe of Ertuğrul and Osman.

On the hilltop stands ***a great, ancient plane tree (chinar)***, recalling the story of ***Osman's dream*** of a tree whose shade covered the world. In the distance, in blue mist, ***a Byzantine fortress*** stands on a rocky hill, and a river winds through the valley.

The ***dark blue band*** at the bottom, framed by ***fine gold lines***, is where the author's name appears — the same as on the covers of Series 1 to Series 24, so that all the covers of Heroes of Islam match.

OSMAN GAZI

At the end of the seventh century AH, Anatolia was divided. The Seljuk Sultanate of Rum had collapsed under Mongol pressure, and on the western frontier, facing the Byzantine Empire, several small Turkish principalities (beyliks) arose. One of the smallest was centred on a town called ***Söğüt***, led by a man named ***Osman***, son of Ertuğrul.

Within about thirty years, Osman Gazi turned that small principality into a power that defeated the Byzantine army at Bapheus and besieged the city of Bursa. The state he founded — ***the Ottoman state*** — lasted more than six centuries, conquered Constantinople, and was the seat of the Islamic caliphate until 1342 AH (1924 CE).

This eBook is the twenty-fifth in the ***Heroes of Islam*** series, together with the story of his father, Ertuğrul. Osman's story comes mainly from Ottoman chronicles written more than a century after his time, such as the works of Âşıkpaşazâde and Neşri, and from the account of a contemporary Byzantine historian, George Pachymeres. Every story is given with its source and grade honestly — including the difference between history and television drama about Ertuğrul and Osman, and uncomfortable matters such as the killing of his uncle — and its lessons are grounded in the Qur'an and authentic Hadith.

Osman's story is the story of how a great empire began in a small frontier town, through faith, patience and justice.

WHO WAS OSMAN GAZI?

He was ***Osman son of Ertuğrul***, known in history as ***Osman Gazi*** or ***Osman Bey***, the founder of the Ottoman state. According to Ottoman tradition, he was born around 656 AH (1258 CE) — the same year Baghdad was destroyed by the Mongols — and died around 724 AH (1324 CE).

The name "Ottoman" (Osmanlı in Turkish) comes from his name, Osman, the Turkish pronunciation of the Arabic name 'Uthman. The Byzantine historian Pachymeres, who lived in his time, called him "Atman".

ERTUĞRUL: BETWEEN HISTORY AND DRAMA

HISTORICAL NOTE: WHAT WE KNOW ABOUT ERTUĞRUL

Almost everything we know about ***Ertuğrul***, Osman's father, comes from Ottoman chronicles written more than 150 years after his time. According to tradition, he was the chief of a small Turkic tribe settled at Söğüt on the Byzantine frontier, and died around 680 AH (1281 CE). His tomb is still visited in Söğüt.

Firmer evidence of his existence is ***a coin*** said to have been struck by Osman with the inscription "Osman son of Ertuğrul". Other stories — that his father was Süleyman Shah who drowned in the Euphrates, that he helped a Seljuk army in a battle and was given Söğüt, and that his tribe was the Kayı of Oghuz descent — are late traditions, some of them disputed by historians. The television drama series about Ertuğrul is largely fiction.

Status of the report: Ertuğrul's existence is established; most details of his life are late tradition.

ANATOLIA ON THE FRONTIER OF TWO WORLDS

HISTORICAL NOTE: THE FALL OF THE SELJUKS OF RUM

After the Mongols defeated the Seljuks of Rum at Kösedağ in 641 AH (1243 CE), the sultanate grew weak and eventually collapsed. Anatolia was divided into many Turkish beyliks, and the western frontier regions, called ***uç*** (the edge), were settled by Turkic tribes, dervishes and fighters called ***gazis***.

Across the frontier lay the Byzantine region of Bithynia, weakened since the Fourth Crusade. It was here, between Söğüt, Bilecik and Bursa, that Osman began his struggle.

Status of the report: Narrated in the early Ottoman chronicles such as the history of Âşıkpaşazâde and the Kitâb-ı Cihan-nümâ of Neşri, written about 150 years after Osman's time, without a chain by the standards of the Hadith scholars. The story is accepted as history or tradition, but it cannot be used as proof in the way an authentic hadith can.

THE DREAM IN SHAYKH EDEBALI'S HOUSE

HISTORICAL NOTE: THE MOON AND THE TREE

The most famous story about Osman is his dream while staying in the house of ***Shaykh Edebali***, a scholar and spiritual leader in Bilecik. According to Âşıkpaşazâde, Osman dreamt that a moon rose from Shaykh Edebali's breast and entered his own; then a great tree grew from his navel, and its shade covered the whole world, with mountains, rivers and cities beneath it.

Shaykh Edebali interpreted the dream as glad tidings that Allah would give sovereignty to Osman and his descendants, and gave Osman his daughter in marriage. The story is famous and beautiful, but it was only recorded more than a century after Osman's time, and historians regard it as a legend reflecting the later greatness of the Ottomans.

Status of the report: A famous legend in the Ottoman chronicles; not established as a historical event.

SHAYKH EDEBALI AND THE AKHIS

HISTORICAL NOTE: SCHOLARS BESIDE THE RULER

Shaykh Edebali is said to have been a respected jurist and Sufi in Bilecik, closely linked to the ***Akhis*** — brotherhoods of Muslim craftsmen and merchants in the towns of Anatolia who emphasised good character, generosity and mutual help. Ibn Battutah, who travelled in Anatolia a few years after Osman's time, praised the Akhis for their hospitality to travellers.

According to tradition, Osman often visited Edebali and listened to his advice, and his wife, Malhun Hatun or Rabia Bala Hatun — the sources differ on the names and lineage of his wives — was the mother of some of his children. His son ***Orhan*** later succeeded him.

Status of the report: Narrated in the early Ottoman chronicles such as the history of Âşıkpaşazâde and the Kitâb-ı Cihan-nümâ of Neşri, written about 150 years after Osman's time, without a chain by the standards of the Hadith scholars. BILECIK, YARHISAR AND İNEGÖL

HISTORICAL NOTE: AROUND 699 AH

According to the Ottoman chronicles, Osman took several small Byzantine fortresses around Söğüt, among them ***Karacahisar***, ***Bilecik***, ***Yarhisar*** and ***İnegöl***. Ottoman tradition later took 699 AH (1299 CE) as the year the state was founded, though this date is largely symbolic.

The chronicles also tell that Osman took Bilecik by a ruse while its lord was holding a wedding feast, and that the bride, Holofira, was later married to Orhan and became known as ***Nilüfer Hatun***. The story is famous, but its details are mixed with legend.

Status of the report: Narrated in the early Ottoman chronicles such as the history of Âşıkpaşazâde and the Kitâb-ı Cihan-nümâ of Neşri, written about 150 years after Osman's time, without a chain by the standards of the Hadith scholars. THE BLOOD OF AN UNCLE: DÜNDAR BEY

HISTORICAL NOTE: DISCORD IN THE FAMILY

Âşıkpaşazâde and Neşri report that Osman's uncle, ***Dündar Bey***, opposed his plan to attack a Byzantine fortress, fearing it would anger their neighbours. Osman was angered and, according to that report, killed his uncle with an arrow.

This story is stated here honestly. Some historians consider it true, since it is recorded in chronicles that praise Osman himself; others doubt it. Whether true or not, it is a reminder that the road to power is often stained with bloodshed within one's own family.

Status of the report: Reported in the early chronicles; its authenticity is disputed.

THE BATTLE OF BAPHEUS

HISTORICAL NOTE: 701 AH (27 JULY 1302)

Osman's first victory that can be dated with certainty is ***the Battle of Bapheus*** (Koyunhisar), near Nicomedia (İzmit), in 701 AH (27 July 1302 CE). The contemporary Byzantine historian George Pachymeres records that the Byzantine force sent by Emperor Andronikos II was defeated by Osman's men.

After this victory, Osman's name became known, and many Turkish fighters from other regions came to join him. The countryside of Bithynia increasingly opened to him, and the Byzantine cities of Bursa, Nicaea (İznik) and Nicomedia began to be cut off.

Status of the report: Established in a contemporary Byzantine source; the size of the armies is uncertain.

JUSTICE TO THE CHRISTIAN SUBJECTS

HISTORICAL NOTE: KÖSE MIHAL AND THE PEOPLE OF BITHYNIA

One of Osman's closest companions was ***Köse Mihal***, a Byzantine landlord of Harmankaya, who became his ally and later, according to tradition, embraced Islam. His descendants, the Mihaloğlu family, became famous Ottoman commanders.

According to the Ottoman chronicles, Osman protected the Christian inhabitants of the lands he took, allowed their markets to continue, and ordered that they not be wronged. Pachymeres himself notes that many country people of Bithynia accepted Turkish rule. Some historians consider this picture too rosy, since frontier warfare also brought plunder and suffering.

Status of the report: Narrated in the early Ottoman chronicles such as the history of Âşıkpaşazâde and the Kitâb-ı Cihan-nümâ of Neşri, written about 150 years after Osman's time, without a chain by the standards of the Hadith scholars. The Qur'an commands justice, even towards those one dislikes:

SURAH AL-MA'IDAH 5:8

يَٰٓأَيُّهَا ٱلَّذِينَ ءَامَنُواْ كُونُواْ قَوَّٰمِينَ لِلَّهِ شُهَدَآءَ بِٱلۡقِسۡطِۖ وَلَا يَجۡرِمَنَّكُمۡ شَنَـَٔانُ قَوۡمٍ عَلَىٰٓ أَلَّا تَعۡدِلُواْۚ ٱعۡدِلُواْ هُوَ أَقۡرَبُ لِلتَّقۡوَىٰۖ وَٱتَّقُواْ ٱللَّهَۚ إِنَّ ٱللَّهَ خَبِيرُۢ بِمَا تَعۡمَلُونَ ٨

O you who have believed, be persistently standing firm for Allāh, witnesses in justice, and do not let the hatred of a people prevent you from being just. Be just; that is nearer to righteousness. And fear Allāh; indeed, Allāh is [fully] Aware of what you do.

Translation: Sahih International — quran.com/5:8

And the Messenger of Allah ﷺ gave a stern warning against killing a protected non-Muslim:

BUILDING A STATE

Osman did not only fight. According to the Ottoman chronicles, he appointed judges to rule among the people, set up markets and light taxes, granted land to his fighters (the timar system that later developed), and built mosques in the lands he took. It is reported that he lived simply and left little wealth when he died.

These are the qualities of leaders whom Allah establishes in the land:

SURAH AL-HAJJ 22:41

ٱلَّذِينَ إِن مَّكَّنَّٰهُمْ فِى ٱلْأَرْضِ أَقَامُوا۟ ٱلصَّلَوٰةَ وَءَاتَوُا۟ ٱلزَّكَوٰةَ وَأَمَرُوا۟ بِٱلْمَعْرُوفِ وَنَهَوْا۟ عَنِ ٱلْمُنكَرِ ۗ وَلِلَّهِ عَٰقِبَةُ ٱلْأُمُورِ ﴿٤١﴾

[And they are] those who, if We give them authority in the land, establish prayer and give zakāh and enjoin what is right and forbid what is wrong. And to Allāh belongs the outcome of [all] matters.

Translation: Sahih International — quran.com/22:41

LESSONS

Power in the land is a trust to establish prayer and zakah, enjoin good and forbid evil — not a means to luxury.

BESIEGING BURSA

HISTORICAL NOTE: A CITY THAT HELD OUT FOR YEARS

Bursa (Prusa) was a rich and well-fortified Byzantine city at the foot of Mount Uludağ. Osman had no siege engines to storm its walls, so he built small forts around it to cut off its supplies, around 717 AH (1317 CE).

The siege lasted for years. As Osman grew old and ill, his son ***Orhan*** led the army in the field.

Status of the report: Narrated in the early Ottoman chronicles such as the history of Âşıkpaşazâde and the Kitâb-ı Cihan-nümâ of Neşri, written about 150 years after Osman's time, without a chain by the standards of the Hadith scholars. The story is accepted as history or tradition, but it cannot be used as proof in the way an authentic hadith can.

THE COUNSEL TO ORHAN

HISTORICAL NOTE: A FATHER'S ADVICE

The Ottoman chronicles report Osman's counsel to Orhan before his death. Among its contents: that Orhan be just to the people, honour the scholars, do nothing that Allah has not commanded, seek the advice of scholars when facing a problem, and guard the religion.

The text of this counsel was recorded long after Osman's time, and the form circulating today has probably been embellished by later writers. Yet its content agrees with the teachings of Islam on leadership.

Status of the report: A late report; its wording cannot be confirmed.

DEATH AND THE CONQUEST OF BURSA

HISTORICAL NOTE: AROUND 724–726 AH

Osman died around 724 AH (1323/1324 CE); the sources differ on the exact date. In 726 AH (1326 CE), Bursa surrendered to Orhan by agreement. Some reports say that Osman heard the news of Bursa's conquest before he died.

Osman's body was later moved to Bursa and buried in a building known as the Gümüşlü Kümbet. The tomb standing today was rebuilt in the nineteenth century after an earthquake. Bursa became the first Ottoman capital.

Status of the report: Narrated in the early Ottoman chronicles such as the history of Âşıkpaşazâde and the Kitâb-ı Cihan-nümâ of Neşri, written about 150 years after Osman's time, without a chain by the standards of the Hadith scholars. OSMAN'S LEGACY

From a small town at Söğüt, the state Osman founded grew into one of the greatest empires in the history of Islam. His descendants conquered Constantinople in 857 AH (1453 CE), ruled across three continents, and held the title of caliph until 1342 AH (1924 CE).

Allah promised authority in the land to those who believe and do righteous deeds:

SURAH AN-NUR 24:55

وَعَدَ ٱللَّهُ ٱلَّذِينَ ءَامَنُواْ مِنكُمۡ وَعَمِلُواْ ٱلصَّٰلِحَٰتِ لَيَسۡتَخۡلِفَنَّهُمۡ فِي ٱلۡأَرۡضِ كَمَا ٱسۡتَخۡلَفَ ٱلَّذِينَ مِن قَبۡلِهِمۡ وَلَيُمَكِّنَنَّ لَهُمۡ دِينَهُمُ ٱلَّذِي ٱرۡتَضَىٰ لَهُمۡ وَلَيُبَدِّلَنَّهُم مِّنۢ بَعۡدِ خَوۡفِهِمۡ أَمۡنٗاۚ يَعۡبُدُونَنِي لَا يُشۡرِكُونَ بِي شَيۡـٔٗاۚ وَمَن كَفَرَ بَعۡدَ ذَٰلِكَ فَأُوْلَٰٓئِكَ هُمُ ٱلۡفَٰسِقُونَ ٥٥

Allāh has promised those who have believed among you and done righteous deeds that He will surely grant them succession [to authority] upon the earth just as He granted it to those before them and that He will surely establish for them [therein] their religion which He has preferred for them and that He will surely substitute for them, after their fear, security, [for] they worship Me, not associating anything with Me. But whoever disbelieves after that - then those are the defiantly disobedient.

TELEVISION DRAMA AND HISTORY

SOURCE NOTE: DIRILIŞ: ERTUĞRUL AND KURULUŞ: OSMAN

Turkish television drama series such as ***Diriliş: Ertuğrul*** and ***Kuruluş: Osman*** have made the stories of Ertuğrul and Osman famous across the Muslim world, including in Malaysia. These dramas can inspire enthusiasm and interest in history, but they are works of fiction.

Many characters, events and dialogues in them are invented: for example Ertuğrul's relationship with Ibn 'Arabi, most of the enemies and traitors, certain marriages and battles, and the details of Osman's life before Bapheus. The historical sources on Ertuğrul amount to only a few lines, and on Osman not much more. A Muslim should distinguish between entertainment and history, and not attribute to these figures what is not established.

Status of the report: Television drama is fiction; it cannot be used as a historical source.

STORIES AND FIGURES THAT NEED ASSESSMENT

SOURCE NOTE: BETWEEN FACT AND LEGEND

Several things in Osman's story need careful assessment. ***First***, almost all the Ottoman sources were written more than 150 years after his time, when the state had already become an empire, so the story of its beginnings was often embellished. ***Second***, the genealogy linking him to the Kayı, the Oghuz and Süleyman Shah is a late tradition. ***Third***, the story that the Seljuk sultan 'Ala' al-Din Kayqubad gave Söğüt to Ertuğrul does not fit the dates, since that sultan died in 634 AH.

Fourth, Osman's birth year (656 AH), the same as the fall of Baghdad, and the year the state was founded (699 AH) may have been chosen for their symbolic meaning. ***Fifth***, modern historians differ on the role of the "gazi" spirit compared with political and economic factors in the rise of the Ottomans. What is certainly established is Osman's existence, the victory at Bapheus (701 AH), the siege of Bursa, and its conquest by Orhan (726 AH).

Status of the report: The main events are established; many details are tradition or legend.

Deeds, not lineage	A disputed genealogy; Sahih Muslim 2699
Intention in striving	The title gazi; Sahih al-Bukhari 2787
Dreams are not proof	The dream in Edebali's house; Sahih al-Bukhari 6985

May we follow Osman in his patience and justice, honour the scholars, and begin good works however small, trusting that Allah will make them grow.

In sha' Allah, the Heroes of Islam series will continue with the story of Sultan Muhammad al-Fatih, the conqueror of Constantinople.
